14th Annual Rehabilitation Nurse Conference

Friday, April 8, 2016
7:00 a.m. – 4:30 p.m.

Allina Commons, Pettingill Hall
2925 Chicago Ave., Minneapolis, MN

Co-Presented by the Minnesota Chapter Association of Rehabilitation Nurses and Courage Kenny Rehabilitation Institute
TARGET AUDIENCE
This conference is designed for Rehabilitation Nurses and interested allied health care professionals working in acute rehabilitation, Transitional Care Units, and Nursing Homes.

OVERVIEW & OBJECTIVES
The focus of this conference is to increase the awareness of complications, barriers, and disturbances to the healing process in rehabilitation health care and to support the continued growth of attendees’ knowledge and expertise to innovatively overcome those barriers in the specialty of rehabilitation nursing.

Upon completion of the conference, through lectures, hands-on, and exhibits, participants should be able to:

• Discuss the relationship between continuous process improvement and optimizing patient outcomes.

• Outline the different methods of prosthetic post-op care.

• Name the recovery services that are available to new and existing amputees and their families.

• List the challenges experienced by the presenter post-injury.

• Describe the nurse’s role in assessing the patient’s tolerance for using the Eksoskeleton device.

• Describe current treatment approaches for auto-immune encephalitis.

• List four compensatory techniques to use with patients who have visual impairments after acquired brain injury.

• Discuss pharmacological and clinical data related to the approved uses of cannabinoids in Minnesota.

CONFERENCE DAY INCLUDES
$85.00 (ARN Member) or
$105.00 (Non ARN Member) or
$25.00 (Students – No Contact Hours included)

Tuition fee includes conference educational credits, materials, free parking, light continental breakfast, lunch and afternoon snack.
