Wednesday, April 9, 2014**

Courage Kenny Rehabilitation Institute at
Abbott Northwestern Hospital
800 East 28th Street
Minneapolis, Minnesota

AllinaHealth 

**COURAGE KENNY
REHABILITATION
INSTITUTE™**

TARGET AUDIENCE

This exam prep review course will benefit any nurse working in rehabilitation nursing or the nurse who is new to rehabilitation nursing. Rehabilitation nursing certification is the certification specific to rehabilitation nursing and measures attainment of a defined body of nursing knowledge pertinent to that particular specialty. This course is intended to prepare the nurse to take the Certified Rehabilitation Registered Nurse (CRRN) Exam. Nurses new to rehabilitation nursing can also take the course to become more knowledgeable about the principles of rehabilitation and the nursing care that rehabilitation patients require.

COURSE DESCRIPTION

This course is a review of rehabilitation nursing designed to assist the participant in successfully obtaining CRRN certification. The course offers lectures, graphics, and practice questions in many of the areas that are tested on the CRRN Exam. This review will provide not only a knowledge base for successfully completing the exam, but also a foundation for further study as the participant works towards rehabilitation nursing certification.

AGENDA

Day 1, April 8, 7 a.m. to 4 p.m.

7–7:30 a.m.	Registration

WHY BE CERTIFIED

Certification in the rehabilitation specialty shows that you have taken the extra step to validate your knowledge and skills. Certification demonstrates to your colleagues and patients your commitment to excellence in rehabilitation nursing practice. CRRN certified nurses are committed to providing the highest quality care to their patients.

PROGRAM LEARNING OUTCOMES

This program prepares the learner to:

- Identify models and theories as they apply to standards of care in order to plan, implement and evaluate nursing practice
- Discuss the functional health patterns related anatomy, physiology, assessment and intervention for chronic illness, injury and disability
- Describe the functions of the rehabilitation team members, including case managers and how they prepare the patient/family for community re-entry
- Integrate the knowledge of ethical, economic, legislative and legal issues into nursing practice in order to advocate for rehabilitation patients.

ACCREDITATION

RN/LPN: 13.25 CONTACT HOURS

This activity has been designed to meet the requirements of the Wisconsin Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation for 13.25 contact hours of credit; 6.75 hours for Day One and 6.5 hours for Day Two.

The program has been designed to meet the requirements for continuing education established by the Minnesota Board of Nursing for 15.9 Contact Hours; 8.1 hours for Day One and 7.8 hours for Day Two.

However, the nurse is responsible for determining whether this activity meets the requirements for acceptable continuing education.

Individuals representing other professional disciplines may submit course materials to their respective professional associations for continuing education requirements.

MORE INFORMATION ON TESTING

Visit this website for information on certification examination details:
rehabnurse.org/certification/content/About-CRRN.html

Examination Dates for 2014 are:

June 1-30, 2014 (apply by April 15, 2014)

December 1-31 (apply by October 15, 2014)

CRRN Examination is administered via computer in two one-month test windows.
